- Centrally located between Miami and Ft. Lauderdale, FL shipping ports and airports improves turnaround times for receiving and shipping products

New Address
3000 NW 125th St.
Miami, FL 33167

Our Commitment

O.E.Brand product meets or exceeds Original Equipment fit, form and function standards, giving our customers necessary peace of mind with each sale.

Testing and Q.C.

At **O.E.Brand**, quality is our policy. From development to delivery, our engineering and Q.C. teams have testing and inspection procedures in place to ensure the delivery of first quality product.

Comprehensive Coverage

O.E.Brand currently offers over 5,000 Chassis sku's – including Control Arms – for Domestic, European and Asian applications. The goal at FPD is to add approximately 300 to 500 new Chassis sku's on a yearly basis.

Innovation

Our technical team reviews opportunities for improvement on a sku by sku basis. Our goal is to provide customers with a premium quality product at a superior value.
